**Donation Amount: \$3350.00**

Our ongoing funds get used for various programs and needs, one of which is supporting a children's shelter in Kolkata. These playful little boys celebrated Christmas together. CINI's staff made sure the boys had a special and happy day together. They quickly become family to each other in the shelter where they are safe, well fed and nurtured. Our funding has helped CINI maintain this essential service for children as young as 5 years, who have been abandoned or whose families who cannot care for them. They are particularly vulnerable since COVID when many other supports have ceased
